

NetFile Campaign Disclosure 460 System

E-Filing & Admin System

FPPC Campaign Forms 460, 496, 497, 410, 450, 461, & 470
 Make your hard to track paper filing system obsolete with the most experienced provider of Campaign Disclosure systems! Don't fall for inexperienced companies who don't even know what they don't know about Campaign Disclosure. NetFile supports paperless as well as paper filed documents. Being online, the agency, filer, and public can access the system 24/7. NetFile is affordable for even the smallest local government client. Our system comes with around the clock support that is 100% based in California - no need to worry about foreign based programming or support. All our revenue stays in California.

Fact: NetFile DOES NOT make contributions to local candidate controlled committees! The competition can't say that.

NetFile's system advantages are:

- Get rid of paper filings with NetFile's advanced paperless solution!
- System supports paperless, paper, or a combination of these types of filings
- Reduces the amount of time spent on administration
- Internal kiosk mode makes public requests for documents quick and easy
- Public site posts filings instantly and automatically in redacted form
- Automatically generate letters (welcome, notification, amendment, late, fine, etc...)
- Validation almost entirely eliminates need for amendments for filers
- NetFile is the industry expert and the *ONLY* provider offering off the shelf Professional Treasurer Software - NetFile accounts for 70% of all filings to the Secretary of State of CA
- NetFile is endorsed by the California Political Treasurers Association as the **PREFERRED** local government provider for Campaign Disclosure!

Electronic Filing

First time filers can receive free live software training from NetFile staff! Filers can input their data as they go or all at one time. They can generate drafts for review. A link from your website starts the filing process. The site is hosted by NetFile but looks just like your site. Our servers ensure fast, efficient validated filings. Validation means very few amendments!

Agency Management Tool

The system acts as your repository of filings. Create filers in the database just once. Instant notifications to staff when an e-filing has occurred. System also handles paper filed documents. Electronic filings means no touching paper. No need for copying or scanning. Benefit from effortless document retrieval! Notification, late, and fine letters can also be automatically generated. Custom letters with your letterhead are also accommodated.

Campaign Disclosure E-filing/Admin Facts:

Endorsed by the CPTA!

NetFile is the *ONLY* electronic filing system for local government that is endorsed by the California Political Treasurers Association!

Many Years Proven Success

NetFile has been the preferred solution by local governments for electronic filing since 2003. Don't be fooled by companies that claim to have extensive knowledge of Campaign Disclosure in CA.

No Setup Fees

You don't have any hidden costs for setting up your agency.

Staff Support and Training Included in Fee

Being a hosted solution, you enjoy a low ongoing cost that includes both staff support and training at no additional cost to you! There is no limit to the amount of staff support or training provided to our clients.

Extensive Free Filer Training

NetFile offers free live phone training to new campaign filers.

Data is Safe and Secure

Backups are made nightly for all of you and your filer's data. The data is sent offsite to multiple locations to ensure the safety and integrity of your data.

No IT Involvement Necessary

All IT has to do is place a link on your website (that's it)!

NetFile Dedication

NetFile has been in business since 1998. Providing e-filing systems and software is all we do! There are no other distractions to keep us from servicing our clients to the fullest extent!

Document Viewing Portal - Public Site

Every e-filed document is automatically posted to the public site in redacted format. The public site includes advanced search features to help the public find the data important to them.

Document Viewing Portal - Private Site

The system also comes with a kiosk mode that allows you to show filings in unredacted form but only in your office. That way if someone walks in requesting to view a filing, just point them to one of your computers to search for the filings. They could print to your internal printer if they wanted to purchase a hard copy. No more pulling files and making copies wasting valuable staff time!

NetFile is Number One in California

NetFile is California's first internet based accounting, disclosure, and data management system. Our clients account for over 90% of all agency clients using an electronic disclosure system in the state of California. For our local government platform, there have been several thousand e-filings made for both our SEI filing and admin system as well as our Campaign Disclosure filing and admin system.

Unparalleled Training and Technical Support

Our business model is based on an ongoing service with no long term contractual commitments from our clients. This guarantees you the best in training and support!
