NETFILE CITY MILESTONE!

NetFile, the industry leader and pioneer in paperless electronic filing and administration systems for Statements of Economic Interests (FPPC Form 700) and Campaign Disclosure (FPPC Forms 410, 450, 460, 461, 470, 496, and 497), is pleased to announce bringing on its 100th City client last week.

From its first City client back in 2003, NetFile has continued to add new Cities in CA to the NetFile family. NetFile's City agencies are both big and small. We are proud that 10 of the 15 largest Cities in CA use our agency platforms. Our Cities range in population from several million to less than three thousand. Our systems are affordable for any sized agency.

In addition to Cities, NetFile is being used by several State agencies, Counties, and Special Districts, as well as numerous Boards and Commissions.

NetFile is a privately held corporation based in Mariposa, CA and was established in 1998. NetFile is the originator and leader in e-filing and administration systems for both Campaign Disclosure and Form 700 Statements of Economic Interests systems. All programming, sales, and support are based in the United States so all revenue supports local and state economies.
