NETFILE LAUNCHES NEW WEBSITE

NetFile, the industry leader and pioneer in paperless electronic filing and administration systems for Statements of Economic Interests (FPPC Form 700) and Campaign Disclosure (FPPC Forms 410, 450, 460, 461, 470, 496, and 497), is pleased to announce the launch of its new website.

The new site incorporates updated information about NetFile and its many features. This allows for easy navigation to learn about the products available for Government Agencies and Professional Treasurers.

The Public Data section provides comprehensive searches of Campaign Disclosure Filing Data acquired by NetFile. It incorporates our previous cal-access.com site and rolls it into the “Public Data” area of our revised site. This area also allows you to access public data API’s!

There is significantly more information about our industry leading agency platforms for your perusal. Learn about how NetFile makes it easy to go paperless for any agency. Contact us through this new website to set up a free demo from our sales team.

NetFile is a privately held corporation based in Mariposa, CA and was established in 1998. NetFile is the originator and leader in e-filing and administration systems for both Campaign Disclosure and Form 700 Statements of Economic Interests systems. All programming, sales, and support are based in the United States so all revenue supports local and state economies.
